

Dear Chaperone,

Thank you for volunteering to be a student group chaperone. You play a vital role in ensuring a valuable theatre experience for the students and for the hundreds of other audience members at the performances.

We rely on you and your fellow chaperones to model good audience behavior for the students and to actively prevent inappropriate behavior. Some common problems to look for are:

- Sitting in unassigned seats
- Running and climbing over the seats
- Taking photos or using recording devices
- Forgetting to turn off cell phones, pagers and watch alarms
- Talking, whispering or unwrapping candy or merchandise
- Invading the personal space of fellow audience members

We are also depending on you to accompany your students to all scheduled OSF events including performances, Backstage Tours, and all other education events. Please feel free to contact us with any questions.

Thank you for your help. By working together we can provide the students with a theatrical experience they will never forget.

Sincerely,
