CORPORATE PARTNERSHIP

2023 PARTNER OPPORTUNITIES

Founded by Angus Bowmer in 1935, the Oregon Shakespeare Festival has grown from a three-day festival of two plays to a nationally renowned theatre arts organization that presents a season of multiple plays. Works by Shakespeare as well as a mix of classics, musicals, and world-premiere plays are performed in person and on the digital stage. The Festival draws attendance upwards of 100,000 to more than 800 performances every year.
