

BUS PARKING IN ASHLAND

We would like to welcome you to Ashland and give you some information that will be helpful when bringing your students to the Festival.

The City of Ashland has implemented several ordinances and rules that pertain to bus traffic in the Ashland downtown area. We ask that you please observe the following requirements:

- Please drop your group off in the designated bus-loading zone on Pioneer Street between E. Main Street and Lithia Way. Please do not park in this area as it must be kept available for other arriving buses. Occupancy in the loading zone is limited to a maximum of 10 minutes.
- Bus Parking is allowed only in designated areas shown on the attached map. Approved parking areas are located on Lithia Way, North Pioneer Street, Hersey Street and Oak Street as shown on the map.
- South Pioneer Street adjacent to the theatres is very congested prior to and after performances. Please do not use this section of Pioneer for bus routing.
- Bus Parking on the following streets is expressly prohibited:
East Main Street (entire street)
Winburn Way on in Lithia Park
South Pioneer Street south of East Main Street
North Main Street (entire street)

It is unlawful to park a bus on a public street or parking lot with its engine running for longer than three minutes. This ban applies to all Ashland public streets.

Please unload your group at least 30 minutes prior to the performance so that your group can enter the theater on time. There is no late seating at the Oregon Shakespeare Festival.

Thank you for helping make this a good experience for everyone attending the performances. We looking forward to having you visit!
